Observers in attendance: Kristie Oliver

Summary of Meeting:

PIP Stakeholder Feedback Summary

Matt provided committee members a copy of the Stakeholder Feedback Summary as well as an Overview sheet. He reviewed the summary with the committee and the providers shared that they were not surprised to hear a lot of the feedback.

Membership Follow-up

The committee discussed which members will reach out to the possible new CWPC members. Kristie agreed to reach out to Marybeth O'Neil. All applications will be submitted to Linda and reviewed by the committee for approval. During the next meeting in August the committee will review the CWPC website and make any needed modifications to the website's content.

QRTP "Exchange"

Chris provided an update and shared that the first meeting will be this Tuesday, June 14th. Meetings will be held every two weeks and a form needs to be filled out on each youth prior to the meeting. Each provider agency will have an admissions coordinator. The meeting will be solution focused and providers will be able to share resources and experiences even if there are ultimately no youth swaps.

CISR RFP timeline update

Kristin shared that she had no real updates. We are still waiting for the governor to sign the proposed budget.

HHS Realignment

Matt shared that the HHS logo, mission and vision statements should be coming out at the end of June/early July.

Housekeeping

There will be no meeting in July. Committee members would like to continue in person meetings.

Next Meeting: August 11th -1:00 PM- 3:00 PM
